

MUSIC TOTEM

design Giusi Scavuzzo & Fabio Lombardo
2002

Porta cd e dvd.
Porta cd (fino a 572 pz.) in metacrilato trasparente o lucido coprente. Elegante, pratico e funzionale oggetto d'arredamento realizzato con due fogli di metacrilato finemente curvato e piegato, uniti tra loro da supporti in alluminio anodizzato. Come optional una base girevole in MDF laccato argento.
Materiale:
Metacrilato trasparente o lucido coprente.

Cd and dvd rack.
A cd holder produced in transparent or covering polished methacrylate. Made from two finely worked methacrylate sheets, the music totem becomes an elegant, practical and functional furnishing accessory that can hold up to 572 cd. An optional feature of the Music Totem is a swivel base in silver lacquered MDF.
Material:
Transparent or covering polished methacrylate.
