Portariviste.
Portariviste ma anche poliedrico contenitore costituito da un unico foglio di metacrilato la cui sinuosa curvatura ripartisce i pesi e connota l'oggetto nella sua dimensione estetica.
Materiale:
Metacrilato trasparente o lucido coprente.

Magazine rack.
Magazine rack but also polyedric container consisting of a sheet of methacrylate whose sinuous and flowing shape distributes the weight and gives the object a distinctive appearance.
Material:
Transparent or covering polished methacrylate.
