design Alessio Bassan & Carlo Zerbaro  
2000

Poltroncina a quattro gambe o girevole. Pensata per l'arredo domestico e pubblico questa poltroncina a pozzetto ha l'imbottitura in poliuretano schiumato ignifugo e il rivestimento sfoderabile in tessuto o pelle tramite cerniere e velcro. La scocca poggia su una struttura in metallo a quattro gambe o girevole con alzata a gas.

Materiale:

Struttura in metallo verniciato o cromato. Scocca in poliuretano ignifugo rivestita in tessuto sfoderabile.

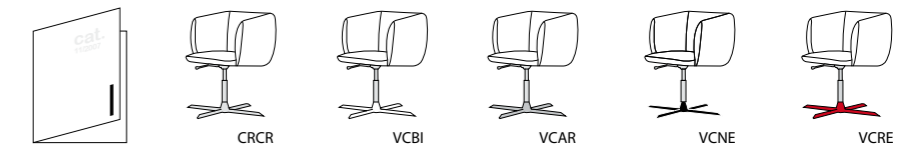

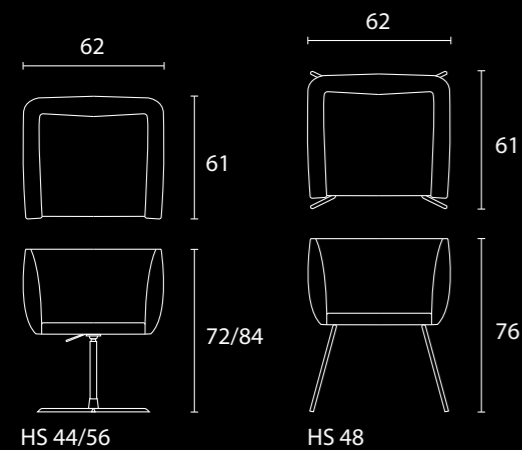

Four legs or swivel armchair.

Thought for the home and public spaces, the armchair has the seat in fireproof foamed polyurethane and cover in fabric or leather removable by means of zips and velcro. The seat rests upon a metal structure available with four legs or swivel with gas lift.

Material:

Painted or chromed metal structure. Seat in fireproof polyurethane covered with removable fabric.
