WRAPP CHAIR 4 LEGS

Inside frame in oak veneer for stained and lacquered options. In the upholster version, the frame is in veneer with deformableless foam and fiber glass.

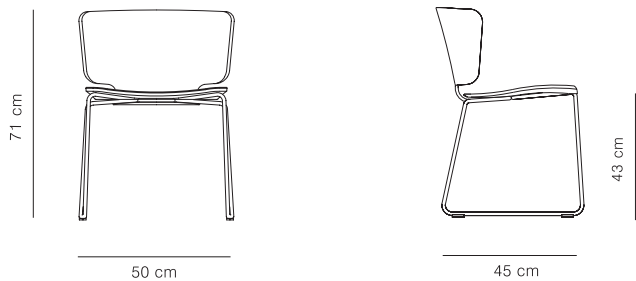

Fix cover.

Structure in gauged chromed steel.

Stackable up to 4 units.

Upholstered models do not stack for long time as upholstered can be damaged.

WRAPP CHAIR SLED BASE

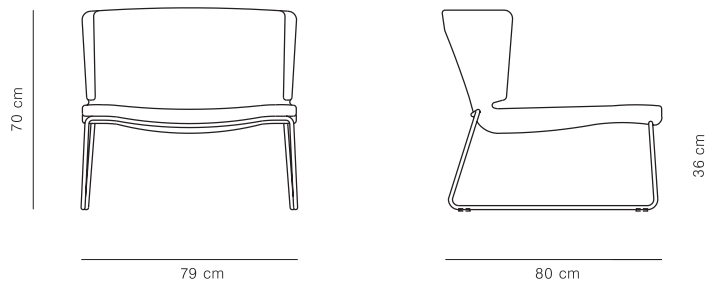

Needed fabric for material 1,40 wide:

Back:
WR-1: 1 m.

Seat:
WA-1: 1 m.

WRAPP LOUNGE CHAIR SLED BASE

Frame in chromed steel. Seat in oak revested in polyurethane.

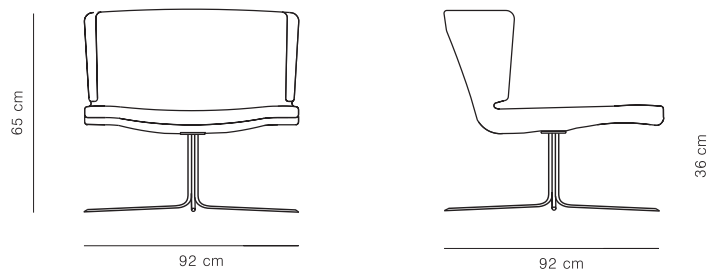

In case you want the sewing in a different colour than the fabric/leather, please, indicate it in the order.

Fix cover.

Needed fabric for material 1,40 wide:

WR-1: 3 m.

WRAPP SWIVEL LOUNGE CHAIR

N.B:

The chair Wrapp allows many combinations, so to place the order, you may chose the back, the seat and the base, (4 legs or sled). To obtain the final price, you have to sum prices of the 3 references (seat, back and base)

CHAIR BASES

CODE	MODEL		FINISHES	
WRE4	4 LEGS		bright chrome	
WREP	SLED BASE
